About Red Land High School

Red Land High School is a four-year comprehensive school with an enrollment of approximately 1,100 students. The school is part of the West Shore School District and is situated across the Susquehanna River from Harrisburg.

Red Land students identify themselves as 90% White, 5.2% Hispanic or Latino, 1.4% Black, 1.6% Asian, and 1.9% Multi-Racial. Twenty-eight percent of Red Land students receive free/reduced lunch.

Class Periods

A six period schedule is used incorporating both yearlong (1 credit) and semester long (.5 credit) courses. Classes meet for 55 minutes per day, six days per cycle, and 15 cycles per semester.

Graduation Requirements

To receive a diploma, members of the Class of 2022 are required to earn a minimum of 22 credits in grades 9-12. Eligibility for such endorsement is based upon successful completion of 4 credits of English, 3 credits of Social Studies, 3 credits of Mathematics, 3 credits of Science, 1.50 credits of Health/Physical Education (Wellness/Fitness), and the remainder in other elective areas.

Rank in Class

Class rank is computed on the basis of the GPA derived from final grades in the subjects taken in grades 9, 10, 11, and 12. All college prep classes are weighted 1.01, second-tier college prep and honors classes are weighted 1.03 and all Advanced Placement courses are weighted 1.06. All students are included in the final ranking.

District Response to COVID-19

The West Shore School District began the 2021-2022 school year with all students in person five days a week. Students are being graded using traditional grading criteria.

HIGH SCHOOL CURRICULUM OFFERINGS

The West Shore School District Personalized Academic and Career Education Roadmap (PACER) ensures that all students are considering their post-high school goals as they plan and select a sequence of rigorous interconnected courses and experiences upon entering high school.

The District believes that engaging students in personalized plans of study and connecting them to pathway internships and/or experiences will make their high school education more relevant while also preparing them to make more informed post-high school decisions.

A complete listing of all course offerings as well as credit weights can be found on the District website:
