

Grocery Store Scavenger Hunt

Directions: When arriving at the grocery store, tell your child that they get to do a scavenger hunt while you are shopping. Have your child find the best food item that fits each description. After they are finished, look over their answers and make sure they are correct. For every correct answer they get, they will receive the amount of points listed next to the question. Try to make this as fun and authentic as possible!

Find the aisle with the baking supplies and write down which aisle it is in. (2 points)

Find an item with less than 50 grams of carbohydrates. (4 points)

Find a product name that uses rhyming words. (4 points)

Find the candy with the most grams of sugar. (4 points)

Find your favorite ice cream and write down the brand name AND ice cream flavor. (3 points)

Find a brand that uses alliteration. (Words that start with the same sound or letter) (3 points)

Find a product name that has three syllables. (3 points)

Find a cereal that has 2 words in its name. (2 points)

Find a brand that starts with the same letter that your name starts with. (1 point)
