

PASSION THROUGH THE PROCESS APPLICATION

Ready to find your passion? Apply today for The JDK Group's high school exploration project!

Passion Through the Process is The JDK Group's 10-week high school exploration project that gives you hands-on experience and allows you to engage in real time!

Students in this program will be at The JDK Group from 1:00 PM - 2:30PM each day of the week and will rotate through its 5 core departments. Students will also attend one event produced by The JDK Group and will have the opportunity to attend professional development events. All applications are due by **March 1, 2018**.

The basics: Tell us a little bit about you...
