

START

Specialized Treatment and Recovery Team

For urgent behavioral health needs

START can help you get on the road to recovery and wholeness with the support of our diverse and multi-disciplinary care team, in a trauma-informed, patient-centered setting.

You'll receive a truly integrated care experience that includes screening, assessment and diagnosis of mental health and substance disorders, and related primary care screening. Through extensive collaboration with community partners, START will provide referrals for housing, job skills training, child care access and other support services, as needed.
