

The Oakes Museum

Curator Club & CC2
Winter/Spring 2025

*We are excited to invite you to our
Curator Club sessions this winter!*

Curators Club 9:15 AM-11:30 AM

Preregistration is \$20/student/Saturday; register for all six and pay only \$100 (a \$20 savings!). Financial assistance may be available.

- **January 11th: Gross Me out!** Uncover the science behind nasty, gross and disgusting!
- **January 25th: Fungus Amoungus!** Explore the amazing world of fungi!
- **February 8th: Where do they go in Winter?** Find out how animals survive during the cold winter months.
- **February 22nd: Forces of Nature!** Find out how volcanoes, earthquakes and other natural phenomenon shape our world.
- **March 15th: Winged Wonders!** Explore the wonderful world of Butterflies and moths!
- **March 29th: Carnivorous Plants and Herbal Allies.** Learn about different types of plants, how they defend themselves, and how some can be used in healing.

CC2 Saturdays 12:15-2:30 pm

Preregistration is \$25/student/session. Financial assistance may be available.

January 25th: Fungus Amoungus — Explore the amazing world of Fungi and learn how to ID different species of fungi and explore them closer under a dissecting microscope.

February 22nd: Forces of Nature — Find out how volcanoes, earthquakes and other natural phenomenon shape our world.

March 29th: Plants: Harmful and Healing! — Examine carnivorous and deadly plants and learn how plants help us survive!

**For more information and to register go to www.messiah.edu/Oakes
or contact us at curatorsclub@messiah.edu or (717) 691-6082**

Curators Club (for grades 3-5) and CC2 (6-8th) are science enrichment programs on a variety of topics in a fun learning environment at The Oakes Museum of Natural History. Curators Club members receive a membership card for free admission to The Oakes Museum of Natural History, and a t-shirt.
