

What is a Positive Behavior Support Program?

Focused on acknowledging students for consistent, socially appropriate, positive behavior.

Behavioral expectations are consistent throughout the school. Common routines and language are used in all settings.

Students are rewarded for exhibiting positive, socially-appropriate behaviors.

Consequences are given when necessary and appropriate. Teacher-managed consequences are given to a student who has committed a minor infraction, breaking one or more of the school-wide expectations.

An office referral is completed for more serious behavior infractions. School administration meets with the student and appropriate consequences are given. The student's parent/guardian is also contacted.

proud to be a
PANTHER

Fairview's Panther Pledge

Practicing school safety

Accepting responsibility

Noticing when others need a helping hand

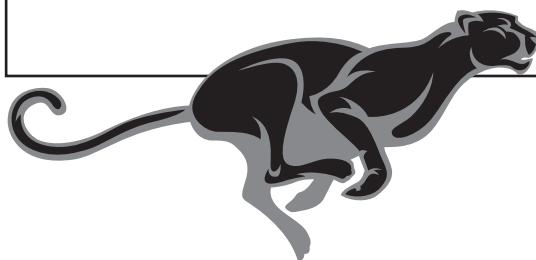

Taking care of my classroom & school

Handling conflict with care

Embacing others differences

Respecting adults and peers

Showing my best effort

If you have any questions about our Positive Behavior Support Program, please talk to your child's teacher or

Positive Behavior Support Program

With the help and support of our Fairview families, staff, and students we will create a positive and effective learning environment for EVERY student!

Fairview Parents/Guardians:

The goal of the positive behavior support program at Fairview is to:

1. assure a positive school environment (respectful, responsible, and safe)
2. increase desirable, pro-social student behaviors
3. decrease bullying, teasing, defiance, and disrespect
4. provide multiple levels of praise for the student, plus positive communication with parents

Please review the information in this brochure with your child and:

- ask your child to name the three behavior expectations
- ask your child to give an example of a positive behavior he or she can display when in the following settings:
 - classroom
 - library
 - cafeteria
 - bathroom
 - hallway
 - playground

Once you have talked with your child about Fairview's school-wide expectations, be sure to revisit them from time to time.

Thank you for your support!

Positive Behavior Support Programs at Fairview Elementary

Panther of the Month Recognition

Each month Fairview staff recognizes students who show exemplary behaviors with important character traits that make each student an exceptional citizen. These traits will be taught through lessons provided by the counselor and content teachers.

During a recognition ceremony, each student receives a certificate to show them how proud we are of them. They also have their picture taken for display on the school bulletin board and webpage. Parents are invited to attend this special assembly.

"Caughtcha" Making Fairview Proud

All students and staff at Fairview have the ability to receive Panther Tokens throughout the week for making good choices and making Fairview Proud. Students and staff place these awarded tokens in a large container outside the office. Once the Panther Container is filled, all students and staff will receive a school-wide reward.

Principal's 100 Club

When students are "caught" displaying exemplary behaviors in responsibility, respect, and safety, they may receive a yellow "Way to Go!" ticket from any staff member at Fairview. When a student is awarded with a yellow ticket, they report to the office where they sign Fairview's Celebrity Book of Fame and pick a number from 1 to 100.

Their name is placed on the 100's board in the office with that corresponding number. That student will receive a positive ticket home, a small prize, and their name will be read over the announcements. Once we have a complete line of 10 numbers, across, up and down, or diagonally, each of those 10 students will receive a NEW and IMPROVED Fairview Principal's 100 Club t-shirt.

Our continued hope this year is to recognize even more students for exemplary behaviors. We hope to recognize all students each time the chart of 100 is complete by doing something special as a group.

Please be mindful, this program recognizes behaviors that go above and beyond the normal, daily expectations of Fairview Elementary School.
