

FirstEnergy's Power Systems Institute

Get ready for a career that reaches new heights.

With the right grades, a positive attitude and good field work, you could graduate from **Reading Area Community College** with a two-year Associate of Applied Science degree in Electric Utility Technology and be on your way to a career in the electric utility industry.

To get started, attend an information session to find out about enrolling in **FirstEnergy's Power Systems Institute (PSI) fall 2018 program** at Reading Area Community College. **Tuition, required books and lab fees paid by FirstEnergy for qualified students.**

**Saturday, November 4, 2017
10 a.m.-noon**

Reading Area Community College
Schmidt Training & Technology Center
10 S. 2nd Street, Reading, PA 19603
