Parking Expectations

- During the school day, no student may drive or park a vehicle on West Shore School District property without proper authorization from building administration.
- Only JUNIORS and SENIORS** will be granted the privilege of parking on school property during the school day.
- A limited quantity of parking permits will be issued for student use during the year. A waiting list will be established if needed.
- If a parking tag is permanently revoked, it will be given to the first person on the waiting list.
- Throughout the school year due to building events, students may be required to park in an alternative location on campus.

Please note: COMPLETED parking applications with all copies **are processed on a first come, first serve basis** based on the number of available spaces in each parking lot. Once lots are full, completed applications will be accepted for the waiting list. A returned completed application **does not** guarantee you are given a parking permit. If you do not have a permit, you **will not** be permitted to park on school property during school hours. All vehicles must be registered in the office to park on school property.

Completed applications include the following items: ALL ITEMS ARE REQUIRED FOR APPLICATION CONSIDERATION. (1) money order, cash, or check payable to Red Land High School for \$20.00, (2) a copy of the student's PA Driver's License, (3) a copy of vehicle registration for each car, (4) a copy of car insurance for each vehicle. In addition, if a student does not have a license, he/she is not permitted to apply for a parking permit.

Parking tags are given to ONE INDIVIDUAL STUDENT for specific vehicles. NO OTHER PERSON EXCEPT the person for who the tag has been issued, may use the tag (drive or register a vehicle). If a tag is revoked for any reason, the fee will not be refunded. Students falsifying a parking tag will not be granted parking privileges if a tag should become available. Any changes to the vehicles registered requires this form to be filled out, and parent signatures.

Students must realize parking is a privilege that may be revoked for reasons related to a student's disciplinary record. As a provision of Board or Administrative probation, parking privileges are revoked while students are on probation.

Under the provisions of Board Policy 218 Student Discipline, disciplinary consequences will be imposed for the following reasons:

- No parking permit displayed
- Vehicle not registered
- Unauthorized use of another student's permit
- Vehicle parked improperly; not in assigned spot, parking in visitor or staff designated parking areas, parking in the turnaround lane, fire lanes, and/or the stone lot is not permitted.
- Inappropriate behavior related to vehicle on school property

School financial obligations must be cleared to receive or retain a parking permit. Lost tags will be replaced for a fee of \$20.00.

Please register all vehicles that will be parked on school property. The parking tag is transferable between registered vehicles below. If this information changes during the school year, please inform the office. Colors must be listed only as one of the following: **Black, Blue, Brown, Gold, Gray, Green, Orange, Purple, Red, Silver, Tan, White, or Yellow.**
